## PROFESSIONAL OVERVIEW

---

Experienced Front-End Developer with over 2 years of expertise in Angular and React, specialized in the creation of contemporary and responsive web applications. Proficient in managing roles of high responsibility, with a strong focus on achieving defined objectives and delivering outstanding results. I have a proven track record in developing scalable and customizable e-commerce solutions, utilizing SAP Commerce Cloud and composable storefront (Spartacus). I excel at implementing captivating UI/UX designs and seamlessly integrating complex functionality using a diverse range of frameworks and libraries.

## EDUCATION

---

### PC CARRIER

January 2016 - July 2016

*Programming Fundamentals. A Coruña, España.*

### Universidad EAFIT

July 2016 - July 2022

*IT System Management.*

### Other Studies

- **Google Coursera:** *Crash Course on Python, The Bites and Bytes of Computer Networking, Technical Support Fundamentals, Operating Systems and You: Becoming a Power User.*
- **Udemy:** *Node:De Cero a Experto, Angular:De Cero a Experto, The Next.js 13 Bootcamp, React - The Complete Guide 2023.*

## TECHNOLOGIES

---

- **Languages:** Python, JavaScript, TypeScript, JQuery, HTML, CSS, SCSS.
- **Frameworks:** ReactJS, Angular, NextJS, Bootstrap, MUI, Angular Material, NextAuth, SAP Commerce, NodeJS.
- **Version Control:** Git / GitHub, SourceTree, Bitbucket.

## EXPERIENCE

---

### Perficient, Inc.

July 2021 - July 2023

- **Client:** *Global digital consultancy.*
  - Implemented the Commands and Queries pattern to efficiently oversee the application state, enabling smooth command execution and structured data retrieval.
  - Developed customized Angular components to optimize and tailor a SAP Commerce accelerator.
  - Executed a comprehensive testing strategy, utilizing Jasmine for unit testing and Cypress for end-to-end (e2e) testing, ensuring the overall correctness and functionality of the application.
- **Client:** *Outsourced Software Development Services.*
  - Implemented front-end features utilizing Next.js and seamlessly integrated authentication functionality with NextAuth, ensuring secure user authentication and authorization.
  - Developed React components using JSX syntax, enhanced functionality with Sass for styling, and leveraged the Material-UI library for pre-built UI components. Implemented components with the added advantages of static typing and improved code maintainability through TypeScript.
  - Effectively maintained the application's state using Recoil, a state management library tailored for React.

## **EXTRACURRICULAR**

---

- Member of the EAFIT "Tutores" Student Group, 2016 - 2020.
- Colombian and Antioquia National Team, Roller Hockey / Roller Games, 2017 / Interleague Competitions 2014 - Present
- Hockey Roller Coach at Club Orion Antioquia, 2018 - 2020.

## **LENGUAGES**

---

**Spanish (Native), English (B2).**
